

Hart b.v.

Leading Stockholder in Nickel Alloys

Hart b.v. is a specialised stockholder in Nickel Alloys and acts as a master distributor of Nickel Alloy Piping Products for the suppliers to the Oil & Gas and (Petro) Chemical Industries. We can assist in all your requests to complete your piping packages (Total Project Management).

Projects requiring Nickel Alloy products can be supplied directly from our extensive stock.

We have been active in selling piping products worldwide for over 50 years and therefore have longstanding partnerships with reputable European and North American mills. We supply quality products in accordance with the high standards of the industry.

To meet the requirements of our customers in the Middle East region, we have a sales office and warehouse in the United Arab Emirates: Hart Middle East FZE.
